PRESIDENT'S MESSAGE

Last year the Feversham Fall Fair had its highest attendance ever! This speaks directly to the efforts of the many Feversham Agricultural Society's members and volunteers who work tirelessly to mount the quality event that our Fall Fair has become known for.

And this year will be no different as we build upon 2022's success. Whether it's the parade, the truck and tractor pulls, the livestock events, the horse show, kid's activities, musical entertainment or the many exhibits, the 2023 Fall Fair will be 2 ½ days jam-packed with activities that will appeal to young and old. We are also excited to announce our new Teen Zone this year, with activities designed to appeal to that demographic.

One of our many events over Fair week-end is the Friday night Concert and Ambassador competition. This means that we will be saying goodbye to Senior Ambassador Grace Mullin and Junior Ambassador Belle Thompson. I want to congratulate them on a job well done representing the Feversham Agricultural Society this past year, and wish them well in their future endeavours.

Please take the time to enjoy all that the 156th Feversham Fall Fair has to offer!

Wow a year does fly by,

I am so blessed I was able to represent my community once more as the Senior Ambassador. I had so much fun this year, from the parades, fall fair, district meetings, and monthly meeting, to the OAAS convention in Toronto, where I got to meet many of the other ambassadors that came from all over Ontario.

One of my highlights from the year was going to the OAAS convention in February, there I got to see a demonstration of how many people are dedicated to keeping communities alive and thriving no matter how big or small. At the convention we attended seminars discussing the ties agriculture and communities had and how to get young people involved in both. I got to meet lots of ambassadors from all over the province, some coming from small town like ours to big cities. It made it very interesting to talk about the differences in our fairs. Most of these same ambassadors are ones I would encounter at the CNE but unfortunately my time has been cut short and I will not be able to attend as I am moving to British Columbia for post-secondary. I would like to thank my Junior Ambassador, Belle Thompson, for being there by my side to represent Feversham, you did so well, and I hope to see you as senior ambassador one day. Along with the Feversham Agricultural Society, thank you so much for the opportunity to represent my hometown. I look forward to continuing to be part of the fair for the years to come.

Thank you all,

Grace Mullin

2022-2023 Feversham Fall Fair Ambassador

What a truly unforgettable night and an unforgettable year. It all started the night of September 16, when I was crowned the 2022/2023 Feversham Agricultural Society's Junior Ambassador. The night was amazing – from the flowers, the sash, the tiara and gifts from the incredible sponsors of the Ambassador Program, to saying my speech in front of our community, with the support of my family and friends the entire night. There were many photos taken of myself, the other contestants, as well as the Senior Ambassador Grace Mullin.

The Fair Weekend was a busy one - Grace and I rode in the parade throwing candy and waving to the big crowd that lined both sides of the road. We handed out ribbons at the cattle show, introduced ourselves at the truck pulls, and handed out ribbons at the horse show. Sunday was a rainy day – what would a fair be without at least a little rain! We helped out taking admission at the front gate, handed out ribbons at the sheep show, pulled names for our raffles and helped clean up from the long fair weekend.

And the year following the fair has been just as busy! I have enjoyed attending our monthly meetings and society events. I have learned just how much effort and dedication it takes to plan and prepare for our fair weekend. Grace and I attended the Remembrance Day ceremony at the Cenotaph in Flesherton – it was an honour to represent our Agricultural Society and our community, as we remembered those who sacrificed for our freedom. Every Spring and Fall, the Ambassadors attend the District 10 Meetings with their Societies – this year the Fall Meeting was in Chesley, and they had a great program for the Ambassadors – we took a bus to the Launch Pad in Hanover. At the Launch Pad we learned to change tires, sew and we watched some cool videos on the VR headsets.

Grace and I attended the 4H Banquet in November. There were many 4H members and Fair Volunteers, as well as their families. The evening consisted of an amazing meal and awards for the 4H Beef Club. As the Ambassadors, we were able to draw the names for the raffle prizes, and it really ended up being a great night for everyone. I can remember the Santa Claus parade; Grace and I definitely were not ready for that weather. We stood behind Santa trying to warm up our hands, it had to be the coldest day of the winter (at least that's what we thought). We warmed up afterward with hot chocolate and helped Santa hand out candy and take photos with all of the kids. I also represented the Agricultural Society at this year's RAM Rodeo in Feversham.

I am very grateful to have been your 2022/2023 Feversham Agricultural Society's Junior Ambassador, as well as a Junior Member of the Ag Society. I want to thank everyone who makes the fair possible and so enjoyable for every one of all ages. A big thank you to Amanda for all the time you have invested in the program throughout the year and for making it so fun. And thank you to my family for supporting me during the year and getting me to all of my events on time!

Youth are very important to our fair – if you are thinking about participating in the Ambassador Program, I promise it will be a year you won't forget, with an amazing group of passionate and committed community members! I can't wait to see everyone at the Fair in September!
