PRESIDENT'S MESSAGE

It's that time of year again! The Feversham Fall Fair is just around the corner, and we're so excited to welcome you all back to celebrate this year's theme: "Home for the Harvest".

It feels great to be getting together again, and this fair wouldn't be possible without the incredible dedication of so many people. A huge shout-out goes to our amazing Feversham Agricultural Society members and all our fantastic volunteers. You are so committed to making this fair happen, and your efforts are truly the backbone of our success. And to all our generous sponsors, thank you! Your support helps us bring so much to the community.

We've got a jam-packed schedule this year with something for everyone, no matter your age. From exciting agricultural shows to delicious food, thrilling entertainment, creative entries and all sorts of fun activities, you won't want to miss a thing. Bring the whole family – there's so much to see and do!

Finally, I want to acknowledge our wonderful Junior and Senior Ambassadors, Paisley Strehl and Bryn Seeley. Your time in these roles is coming to an end, and you've both represented the Feversham Agricultural Society with grace and enthusiasm. Thank you for everything you've done.

We can't wait to see you all at the Feversham Fall Fair! Let's make some great memories together.

This year was one I will never forget

I was more than honoured to be the Feversham, Senior Ambassador this year. I had so much fun and made so many amazing friends and even more amazing memories.

To choose just a couple of my favourite events this year is hard, but one of them definitely has to be the OAAS convention in Toronto. I had the privilege to meet ambassadors from all over the province, I got to spend time learning about all of the other fairs and ambassador programs that I was able to bring home and share with our fair board. Yet another one of my absolute favourite events from this year was Feversham's annual Ladies Night. This year's theme was Mamma Mia. I got to see and meet so many wonderful ladies in our community. I was also welcomed on stage to model some prizes for our auction. Getting to experience it for the first time has also maybe want to come back for years to follow.

A huge shout out to my Jr. Ambassador partner, Paisley. She is such an amazing girl and I am so happy we got to do this together, even if we had a few rough moments like at the rodeo when the truck got stuck in the mud we had to walk through it to get into the pen. She is such a confident, smart, and fun girl. She's going to do amazing things with her future and I really hope to see her run for Senior Ambassador one day. I could not say goodbye without saying a huge thank you to the woman who I wouldn't have been able to do all of this without, Amanda. Thank you for this amazing and fun year, for guiding and helping me with all of the events and functions. I don't know what I would've done without you.

And another huge thank you to my family for supporting me and helping me as well.

Learning and seeing how our fair is planned and run has been an eye opening experience that I will cherish forever. This year has been wonderful and one I will continue to learn from for the rest of my life. Thank you Feversham for letting me represent you this year. I hope I made you proud .

What a year it's been! September 13th 2024 was one of the most unforgettable days of the year for me. From getting all dressed up for my interview with the judges, to stepping on stage and hearing the other contestants give their speeches while I waited for my turn, it was such a mix of nerves and excitement. Once I finished my speech, I felt much more relaxed, but then came the longest wait ever while the judges made their decision! When last year's Ambassador, Maddi, opened the envelope and read my name as the 2024–2025 Junior Ambassador, I couldn't believe it. When she placed the sash and tiara on me, it felt like a dream come true! It's a moment I'll never forget.

After that, there were tons of photos, and oh my gosh, the GIFTS! Everyone's kindness that night really showed me how special this community is, and made me so proud to be able to represent it.

Once I got home that night, even though I knew I needed to get some sleep for the parade the next morning, falling asleep was pretty much impossible

with how excited I was!

The next day, I woke up ready to start my new role. I headed down to the park where I met our Senior Ambassador, Bryn, and Amanda. Bryn and I got to ride in Karen's convertible, which was pretty cool! Waving to everyone from the back of the car is another moment I'll always remember. After the parade, we walked around, met members of the community, and introduced ourselves at the antique tractor pulls. Then we went to the 4H show, where we congratulated the winners and handed out ribbons. The day flew by, and before I knew it, it was time to head home.

The next morning started early because I had to be at the arena to help sign people in at the gates. After that, we headed to the truck pull track to introduce ourselves to the community again. It was another super fun day!

I've had some great experiences over the past year, attending fair board meetings and District 10 meetings where I got to meet fellow ambassadors from other areas. Another great moment was when Andrea took Bryn and me around the community for a fall photoshoot! The leaves were changing, and the scenery was so pretty! I also had the chance to be part of the 2024 Santa Claus parade, and I got to ride in the back of a truck at the start of this year's Grey Highlands Ram Rodeo! I have lots of great memories from my time as the junior ambassador, and I'm very thankful for this opportunity. Seeing how much time and effort all the kind people and volunteers put in to make our community events happen is truly amazing!

Just like I said in my beginning speech—I really wanted a horse. Well, I convinced my dad, and I ended up getting one! Her name is Emerald, but I call her Emmy. She's 3 and 1/2 years old, and I've already started riding lessons and even some jumping with her. I'm so excited to start my journey with Emmy and can't wait to see where it takes us.

This year has meant so much to me, and I've grown a lot because of it. Being Junior Ambassador has been an honor, and I'm so thankful for everyone who supported me and made this journey possible. I'll always look back on this time with a big smile and a happy heart. I can't wait to see what the rest of the year brings!

JR. FAIR BOARD

President's Message

I am looking forward to being the Junior Fair Board's President for 2025. Our board of executive and directors is growing every year – and our group is excited to work hard to bring some fun things to our fair and community!

We will continue to work alongside the Ag Society in planning and setting up for our fair, and the planning of many events throughout this year! The Junior Board will be hosting the Classics in the Country – Classic Car and Truck show again – it will be on the Friday evening of the fair before the concert. This event was a huge success last year and we are excited to see all of the cars, trucks and crowds out again this year.

Our mission as a Junior Fair Board is to promote and represent the youth in our area – through meetings, activities, events and excursions. We continue to build leaders in our community, with the ability to plan, lead and participate in various activities and events with the Feversham Ag Society and within our community. Does this sound like something that interests you? We are always welcoming new members and growing our Junior Fair Board – so come out and join us at one of our upcoming meetings!

I look forward to seeing everyone at the 158th Feversham Fall Fair – where we will be Home for the Harvest!
